Cholera Outbreak in Delhi

2423. SHRI P. UPENDRA : Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state :

(a) whether there has been a large-scale break out of cholera in Delhi recently; and

(b) if so, the steps Government are taking to contain the epidemic ?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D. K. THARA DEVI SIDDHARTHA) : (a) There has not been any large scale out break of Cholera in Delhi recently though the nuumber of cases reported this year is more than that of last year. A total of 1037 cases of cholera have been reported in Delhi till the end of October, 1992 as compared to 521 eases upto October during the year

1991. No death, however., has been reported. Most of the cases were reported from scattered areas and no clustering of cases was noticed.

(b) The situation was regularly reviewed by the Union Health Secretary in series of meetings held with the concerned officials. A committee was also set up under his chairmanship for this purpose.

The following measures to control water borne diseases were taken with particular emphasis in JJ. Cluster/re-settlement colonies :

1. Provision of safe drinking water in adequate quantity in all vulnerable areas.
2. Dissemination of appropriate health education through various channels.
3. Surveillance and continuous monitoring of water borne) diseases.
4. Regular removal of garbage and desilting of drains.
5. Distribution of chlorine tablets and O.R.S. packets.

(). Ban *on* sale of e-xposed/cut fruits and other uuhygenic food items.
